

**Dear Rider,** This is a sample copy of a District 17 card. A few points to explain what is on the card. The number and explanation is coordinated with the placement on the district card. This should help you find the information you need. If you purchased a type of racing that doesn't require number assignments, then the number column will be a "0". Hope this helps, thank you. **Your Directors.**

1. Birth date
2. Memo field: This information in this area is considered "special". Be sure to check this area at sign up.
3. Classification Field: This could be Y for youth, Q for 4-Wheel riders, and their classification A, B, C. i.e.: ("YB" means they are a youth rider in the B classification.)
4. AMA Number field: If it has "TEMP" it is a temporary number because I do not have a current AMA number at time of processing.
